

@HSDHealth Message One Individual Tests Positive: Elizabeth Haddon male _____

HSD Case #44

11/30/2020

Dear Parents, Guardians, and Staff:

This letter is to inform you that an individual at E. Haddon School tested positive for Coronavirus Disease 2019 (COVID-19). **Close contacts were notified last week.**

Here are all of the details that we are permitted to share at this time:

Case 44: Haddon

- **The individual is a juvenile male (under 10) in Cohort A.**
- **The individual was symptomatic beginning on Saturday, November 14.**
- **The individual was tested and received a positive test on Thursday, November 24. According to guidelines, there is a “look back” period beginning two days prior to either the administration of a positive test if asymptomatic or two days prior to symptoms with a positive test. In this case, the “look back” is Thursday, November 12.**
- **This individual was last in school on Friday, November 13.**
- **Based on currently available information, this individual did not likely contract the virus in school.**

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/hsdhealthCOVID-messages/>.

We continue to urge parents to notify your school nurse as soon as you receive a COVID+ tests. This helps the school district to respond in the most efficient manner possible.

Please note that we have streamlined this notification letter. To view additional information contained in previous COVID+ notifications, please click [here](#).

Sincerely,

Charles Klaus
Superintendent of Schools
