

**@HSDHealth Message Six Individuals Test Positive:
2 male HMS, w female Central, 2 females HMS,**

HSD Cases #73-#78

12/18/2020

Dear Parents, Guardians, and Staff:

This letter is to inform you that (6) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to urge parents to keep your student home at the first signs of [COVID symptoms](#) and to please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

Here are all of the details that we are permitted to share at this time:

Case 73: Middle

- The individual is a male in his 10s in Cohort A.
- The individual was symptomatic on Sunday, December 13.
- The individual was tested and received results on Wednesday, December 16. According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Friday, December 11.
- This individual was last in the district on Tuesday, December 8.
- Based on currently available information, this individual did not likely contract the virus in school.

Case 74: Central

- The individual is a juvenile female (under 10) in Cohort A.
- The individual was symptomatic on Tuesday, December 15.
- The individual was tested on Wednesday, December 16, and received results on Thursday, December 17. According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Sunday, December 13.
- This individual was last in the district on Tuesday, December 8.
- Based on currently available information, this individual did not likely contract the virus in school.

Case 75: HMS

- The individual is a male in his 10s in Cohort B.
- The individual was asymptomatic.
- The individual was tested on Monday, December 14, and received results on Thursday, December 17. According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Saturday, December 12.
- This individual was last in the district on Friday, December 4.
- Based on currently available information, this individual did not likely contract the virus in school.

Case 76: HMS

- The individual is a female in her 10s in Cohort A.
- The individual was symptomatic on Friday, December 11.
- The individual was tested on Monday, December 14, and received results on Friday, December 18. According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Wednesday, December 9.
- This individual was last in the district on Tuesday, December 8.
- Based on currently available information, this individual did not likely contract the virus in school.

Case 77: HMS

- The individual is a female in her 10s in Cohort A.
- The individual was symptomatic and tested on Thursday, December 10.
- The individual received results on Friday, December 18. According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Tuesday, December 8.
- This individual was last in the district on Tuesday, December 8.
- Based on currently available information, this individual did not likely contract the virus in school.

Case 78: Central

- The individual is a juvenile female (under 10) in Cohort A.
- The individual was symptomatic on Tuesday, December 15.
- The individual was tested on Wednesday, December 16, and received results on Friday, December 18. According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Sunday, December 13.
- This individual was last in the district on Tuesday, December 8.
- Based on currently available information, this individual did not likely contract the virus in school.

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/hsdhealthCOVID-messages/>.

Sincerely,

Charles Klaus
Superintendent of Schools
