

## HSD Cases #119-121

January 22, 2021

Dear Parents, Guardians, and Staff:

This letter is to inform you that three (3) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to urge parents to keep their student home at the first signs of [COVID symptoms](#) and to please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

Please [click here for the most up to date version of HSD's COVID-Related Decision Tree](#).

Here are all of the details that we are permitted to share at this time:

### Case 119: HMHS

- The individual is a female in her 40s.
- The individual was symptomatic on Sunday, January 17.
- The individual was tested Tuesday, January 19, and received results on Wednesday, January 20. According to guidelines, there is a "look back" period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the "look back" is Friday, January 15.
- This individual was last in the district on Wednesday, January 13.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

### Case 120: HMHS

- The individual is a female in her 30s.
- The individual was symptomatic, tested, and received results on Thursday, January 21.

- According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Tuesday, January 19.
- This individual was last in the district on Thursday, January 21.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

**Case 121: HMHS**

- The individual is a male in his 10s in the all-virtual cohort.
- The individual was symptomatic, tested, and received results on Thursday, January 21.
- According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Tuesday, January 19.
- This individual was last in the district on Thursday, January 21.
- Based on currently available information, it is unclear whether this individual contracted the virus in school.
