HSD Cases #122-124

Dear Parents, Guardians, and Staff:

This letter is to inform you that (3) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to urge parents to keep their student home at the first signs of [COVID symptoms](#) and to please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

Please [click here for the most up to date version of HSD's COVID-Related Decision Tree](#).

Here are all of the details that we are permitted to share at this time:

Case 122: HMHS

- The individual is a male in his 10s in Cohort C (M/T/TH/F).
- The individual was symptomatic and tested on Saturday, January 23.
- The individual received results on Sunday, January 24. According to guidelines, there is a "look back" period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the "look back" is Thursday, January 21.
- This individual was last in the district on Friday, January 15.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

Case 123: Central

- The individual is a female in her 20s.
- The individual was symptomatic on Friday, January 22, and tested on Sunday, January 24. She received results on Sunday, January 24.
- According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Wednesday, January 20.
- This individual was last in the district on Friday, January 15.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

Case 124: HMHS

- The individual is a male in his 10s in the all-virtual cohort.
- The individual was symptomatic, tested, and received results on Saturday, January 23.
- According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Thursday, January 21.
- This individual has not been in the school district.
- Based on currently available information, this individual did not contract the virus in school.
