### HSD Cases #125-128

Dear Parents, Guardians, and Staff:

This letter is to inform you that (4) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to urge parents to keep their student home at the first signs of [COVID symptoms](#) and to please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

Please [click here for the most up to date version of HSD's COVID-Related Decision Tree](#).

Here are all of the details that we are permitted to share at this time:

#### Case 125: HMHS

- The individual is a male in his 10s in Cohort B.
- The individual was symptomatic on Tuesday, January 26.
- The individual was tested and received results on Wednesday, January 27. According to guidelines, there is a "look back" period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the "look back" is Sunday, January 24.
- This individual was last in the district on Friday, January 22.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

#### Case 126: HMS

- The individual is a female in her 20s.
- The individual was symptomatic on Tuesday, January 26.
- The individual was tested and received results on Wednesday, January 27. According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Sunday, January 24.
- This individual was last in the district on Friday, January 8.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

#### Case 127: HMHS

- The individual is a male in his 10s in Cohort A.
- The individual was symptomatic on Friday, January 22. He was tested on Sunday, January 24, and received results on Thursday, January 28.
- According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Wednesday, January 20.
- This individual was last in the district on Wednesday, January 20.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

#### Case 128: HMHS

- The individual is a male in his 40s.
- The individual was symptomatic on Tuesday, January 26. He was tested and received results on Thursday, January 28.
- According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Sunday, January 24.
- This individual was last in the district on Tuesday, January 26.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/hsdhealthCOVID-messages/>.

Sincerely,

Charles Klaus

Superintendent of Schools
