Dear Parent(s):

Each year student participation in athletics and co-curricular activities reaches a peak. These activities have received a financial boost over the years with the collection of a student activity fee. Contributions from these fees have supported nearly every team and activity at HMHS.

Students will again receive stickers for their student identification cards that indicate the fee was paid. Each student who pays the activity fee is provided free admission to home athletic contests. This includes all regular season football games, boys and girls basketball games and all wrestling contests with the exception of tournaments and state playoff games. **Also, with the stipulation that fan attendance is permitted by Colonial Conference, NJSIAA and Covid-19 regulations.**

Attached please find the form to be used for payment. An additional form of payment is through MySchoolBucks School Store. You can click on My School Bucks by logging onto the high school website.

Please identify the sport or extra-curricular activity in which your child will participate. Note that Crew has other participation fees since they are not financially sponsored by the Haddonfield Board of Education. As in the past, students who qualify for free or reduced price lunches will be exempt from the activity fee.

Before a student may participate in a sport he/she must follow the below registration process:

1. Please go to the HMHS Athletics website www.haddonfieldathletics.org and click on the registration link (top right corner). Print the appropriate forms for medical clearance. **RETURN THEM TO THE HIGH SCHOOL NURSE IN A TIMELY FASHION TO AVOID DELAYS IN GETTING CLEARED FOR PARTICIPATION.**
2. The parent and student-athlete must complete the registration process together to ensure all information is reviewed and agreed upon by all parties.

Sincerely,

Lefteris Banos
Athletic Director

STUDENT ACTIVITY FEE 2020-21**

Dear Parents,

The Student Activity Fee is used to support and enrich athletics and extra-curricular activities at the high school. The \$125.00 Student Activity Fee covers participation in all sports (except Crew which has its own required fees), activities and clubs. The second child fee is \$75.00 for a maximum family fee of \$200.00. Students who qualify for free or reduced price lunches will be exempt from the activity fee. One hundred percent of the funds collected will go directly back to programs for students. Each student who pays the activity fee is provided free admission to home contests. This includes all regular season football games, boys and girls basketball games and all wrestling contests with the exception of tournaments and state playoff games. Also, with the stipulation that fan attendance is permitted by Colonial Conference, NJSIAA and Covid-19 regulations.

If the extra-curricular activity is cancelled prior to the start of the season, the student(s) will be provided a refund option. Please contact the main office for any refund inquiries.
