HSD Cases #146-147

Dear Parents, Guardians, and Staff:

This letter is to inform you that two (2) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to urge parents to keep their student home at the first signs of [COVID symptoms](#) and to please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible. Additionally, please note that the [HSD Active COVID+ Dashboard](#) is updated daily and available on the HSD website.

Please [click here for the most up-to-date version of HSD's COVID-Related Decision Tree](#).

Here are all of the details that we are permitted to share:

Case 146: Haddon

- The individual is a female in her 20s.
- The individual was symptomatic, tested, and received results on Friday, February 26.
- According to guidelines, there is a "look back" period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the "look back" is Wednesday, February 24.

- This individual was last in the district on Friday, February 26.
- Based on currently available information, it is unlikely this individual contracted the virus in school.

Case 147: Haddon

- The individual is a female in her 50s.
- The individual was symptomatic late Friday evening, February 26. She was tested and received results on Saturday, February 27.
- According to guidelines, there is a “look back” period beginning two days before either the administration of a positive test if asymptomatic or two days before symptoms with a positive test. In this case, the “look back” is Wednesday, February 24.
- This individual was last in school on Friday, February 26.
- Based on currently available information, it is probable that this individual contracted the virus in school.

Please note that all COVID+ messages sent by the district are archived on our website at
