### HSD Case #151, #152

Dear Parents, Guardians, and Staff:

This letter is to inform you that (2) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to urge parents to keep their student home at the first signs of [COVID symptoms](#) and to please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

**Additionally, students are to be kept home when awaiting the results of a COVID test. Community support to adhere to health guidance and answering the daily questionnaire accurately is critical to our ability to remain open**

Please note that the [HSD Active COVID+ Dashboard](#) is updated daily and available on the HSD website.

#### Case 151: HMS

- The student is a male in his 10s in Cohort B.
- The student was symptomatic, tested, and received results on Wednesday, March 10.

- According to guidelines, there is a “look back” period beginning two days prior to symptom onset, which in this case is Monday, March 8.
- The student was last in school on Friday, March 5.
- Based on currently available information, it is unlikely that this student contracted the virus in school.

**Case 152: Central**

- The student is a male in his 10s in Cohort B.
- The student was asymptomatic.
- The student was COVID tested on Wednesday, March 10 and received the result on Saturday aturday, March 12.
- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or taking of COVID test if asymptomatic), which in this case is Monday, March 8.
- The student was last in school on Friday, March 12.
- Based on currently available information, it is unlikely that the student contracted the virus in school.

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/hsdhealthCOVID-messages/>.

Sincerely,

Charles Klaus

Superintendent of Schools
