HSD Case #154

The HSD Active COVID+ Dashboard was created as a reference tool to keep our school community informed about active COVID+ cases. A “live” link to this data is posted [here](#).

Dear Parents, Guardians, and Staff:

This letter is to inform you that an individual in the Haddonfield School District has tested positive for COVID-19. All contact tracing has been completed.

We continue to urge parents to keep their student home at the first signs of [COVID symptoms](#) and to please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

Please note that the [HSD Active COVID+ Dashboard](#) is updated daily and available on the HSD website.

Please [click here for the most up-to-date version of HSD’s COVID-Related Decision Tree](#).

Case 154: Haddon

- The student is a male in his 10s.
- The student was symptomatic (late afternoon), tested, and received results on Tuesday, March 23.
- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or taking of COVID test if asymptomatic), which in this case is Sunday, March 21.
- The student was last in school on Tuesday, March 23.

- Based on currently available information, it is unclear whether the student contracted the virus in school.

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/hsdhealthCOVID-messages/>.

Sincerely,

Charles Klaus

Superintendent of Schools
