HSD Case #159-#160

Dear Parents, Guardians, and Staff:

This letter is to inform you that (2) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to ask parents to keep their student home at the first signs of [COVID symptoms](#) - we urge our community to err on the side of caution, especially since we have implemented the mixed cohort model which results in higher numbers of students required to be excluded from school.

Also, please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

Please note that the [HSD Active COVID+ Dashboard](#) is updated daily and available on the HSD website.

Case 159: HMS

- **The student is a male in his 10s.**
- **The student was symptomatic in the evening on Tuesday, March 30. He was tested and received results on Wednesday, March 31.**

- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or taking of COVID test if asymptomatic), which in this case is Sunday, March 28.
- The student was last in school on Tuesday, March 30.
- Based on currently available information, it is unclear whether the student contracted the virus in school.

Case 160: Central

- The individual is a female in her 40s.
- The individual was symptomatic and tested on Monday, March 29. She received results on Tuesday, March 30.
- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or taking of COVID test if asymptomatic), which in this case is Saturday, March 27.
- This individual was last in school on Tuesday, March 23.
- Based on currently available information, it is unlikely that this individual contracted the virus in school.

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/hsdhealthCOVID-messages/>.

Sincerely,

Charles Klaus
