### HSD Case #183-#185

Dear Parents, Guardians, and Staff:

This letter is to inform you that (3) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to ask parents to keep their student home at the first signs of [COVID symptoms](#) - we urge our community to err on the side of caution, especially since we have implemented the mixed cohort model which results in higher numbers of students required to be excluded from school.

Also, please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

Please note that the [HSD Active COVID+ Dashboard](#) is updated daily and available on the HSD website.

Please [click here for the most up-to-date version of HSD's COVID-Related Decision Tree](#).

### Case #183: HMHS

- The individual is a male in his 10s.
- The individual was symptomatic on Wednesday, April 21. He was tested on Thursday, April 22, and received results on Friday, April 23.

- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or 2 days prior to testing if asymptomatic), which in this case is Monday, April 19.
- The individual was last in school on Monday, April 19.
- Based on currently available information, it is unlikely that this individual contracted the virus in school.

**Case #184: Central**

- The individual is a female in her 50s.
- The individual was asymptomatic. She was tested on Thursday, April 22, and received results on Friday, April 23.
- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or 2 days prior to testing if asymptomatic), which in this case is Tuesday, April 20.
- The individual was last in school on Wednesday, April 21.
- Based on currently available information, it is unlikely that this individual contracted the virus in school.

**Case #185: HMHS**

- The individual is a female in her 10s.
- The individual was symptomatic, tested, and received results on Friday, April 23.
- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or 2 days prior to testing if asymptomatic), which in this case is Wednesday, April 21.
- The individual was last in school on Thursday, April 22.
- Based on currently available information, it is unlikely that this individual contracted the virus in school.

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/hsdhealthCOVID-messages/>.

Sincerely,

Charles Klaus

Superintendent of Schools
