HSD Case #1-#3

Dear Parents, Guardians, and Staff:

This letter is to inform you that (3) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing has been completed.

We continue to ask parents to keep their student home at the first signs of [COVID symptoms](#) - we urge our community to err on the side of caution, especially since we have implemented the mixed cohort model which results in higher numbers of students required to be excluded from school.

Also, please notify your school nurse as soon as you receive a COVID+ test. This helps the school district respond in the most efficient manner possible.

Please note that the [HSD Active COVID+ & Vac Dashboards](#) are updated daily and available on the HSD website.

Please [click here for the most up-to-date version of HSD's COVID-Related Decision Tree](#).

Case #1: Central

- The individual is a juvenile male (under 10).
- The individual was symptomatic on Monday, August 30. He was tested on Wednesday, September 1, and received results on Thursday, September 2.
- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or 2 days prior to testing if asymptomatic), which in this case is Saturday, August 28.
- The individual was not involved in a school activity.

Case #2: Central

- The individual is a juvenile female (under 10).
- The individual was asymptomatic. She was tested on Tuesday, August 31, and received results on Thursday, September 2.
- According to guidelines, there is a “look back” period beginning two days prior to symptom onset (or 2 days prior to testing if asymptomatic), which in this case is Sunday, August 29.
- The individual was not involved in a school activity.

Case #3: HMHS

- The individual is a male in his 10s.
- The individual was symptomatic on Thursday, September 2. He was tested and received results on Friday, September 3.
- According to guidelines, there is a “look back” period beginning two days before symptom onset, or, if asymptomatic, 2-days prior to testing, which in this case is Tuesday, August 31.
- The individual was last in a school activity on Thursday, September 2.
- Based on currently available information, it is unclear whether this individual contracted the virus during a school activity.

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/hsdhealthCOVID-messages/>.

Sincerely,

Charles Klaus

Superintendent of Schools
