### HSD Case #9-#12

Dear Parents, Guardians, and Staff:

This letter informs you that (4) individuals in the Haddonfield School District have tested positive for COVID-19. All contact tracing, if any, has been completed.

We continue to ask parents to keep their students home at the first signs of [COVID symptoms](#). Also, please notify your school nurse as soon as you receive a COVID+ test, which helps the school district respond in the most efficient manner possible.

Please note that the [HSD Active COVID+ & Vax Dashboard](#)s are updated daily and available on the HSD website.

Please [click here for the most up-to-date version of HSD's COVID-Related Decision Tree](#).

#### Case #9: Tatem

- **The individual is a juvenile male (under 10).**
- **The individual was asymptomatic. He was tested and received results on Tuesday, September 7.**
- **According to guidelines, there is a "look back" period beginning two days before symptom onset (or 2 days before testing if asymptomatic), which in this case is Sunday, September 5.**
- **This student has not been in school.**

**Case #10: Haddon**

- The individual is a male in his 10s.
- The individual was asymptomatic. He was tested on Thursday, September 9, and tested and received results on Saturday, September 11.
- According to guidelines, there is a “look back” period beginning two days before symptom onset (or 2 days before testing if asymptomatic), which in this case is Tuesday, September 7.
- This student has not been in school.

**Case #11: Haddon**

- The individual is a female in her 20s.
- The individual was symptomatic on Tuesday, September 7, tested on Thursday, September 9, and received results on Saturday, September 11.
- According to guidelines, there is a “look back” period beginning two days before symptom onset, or, if asymptomatic, 2-days before testing, which in this case is Sunday, September 5.
- This individual was last in school on September 2.
- Based on currently available information, it is unlikely that this individual contracted the virus in school.

**Case #12: Tatem/Central/Middle**

- The individual is a female in her 20s.
- The individual was symptomatic on Monday, September 13. She was tested on Tuesday, September 14, and received results on Wednesday, September 5.
- According to guidelines, there is a “look back” period beginning two days before symptom onset, or, if asymptomatic, 2-days before testing, which in this case is Saturday, September 11.
- This individual’s last day in school was Monday, September 13.
- Based on currently available information, it is unclear whether this individual contracted the virus in school.

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/covid-messages-2021-22/> .

Sincerely,

Charles Klaus  
Superintendent of Schools
