In October, school districts throughout New Jersey began soliciting nominations for the **Governor's Educator of the Year** program. Parents, students and even other district employees were encouraged to submit nominations for either a teacher or educational support person whose performance has been outstanding.

We received more than 200 nominations, a testament to the fact that Haddonfield School District has a large number of excellent teachers and staff. Committees were formed, one for each school, consisting of teachers, parents, students, board members and administrators who met to review all submissions. Finally they narrowed the field to nine talented and dedicated individuals, including Daneen!

Here are just a few of the statements made on her nomination forms:

Daneen has worked as a special education teacher in various schools within our district and has made a positive mark on all her students. She teaches multiple subjects every day, and puts forth 100% ...

Daneen is never afraid to change her teaching styles and methods to meet the needs of her students as well as the classes she teaches.

Her positive energy and kindness empower students to try their best.
